

Projection Screens

reflecta®

The right projection
screen for your
specific purpose

**CrystalLine Self-locking roller/
Self-locking roller Softlift/Electric**

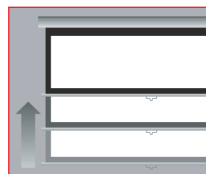

The new reflecta CrystalLine self-locking roller and electric projection screens are extremely good value for money. The well-engineered self-locking roller and electric mechanism with remote control (only with CrystalLine electric) allows for an easy and silent extending and retracting of the projection screen. The high-grade screen fabric delivers brilliant images with any type of projection. The CrystalLine electric projection screens include a remote control.
