

## reflecta LP-USB/SD

With the **reflecta RecordPlayer LP-USB/SD** you can **digitize** your long-playing-records easily into **digital Music-Files**.

Just apply the long-playing-record and start; **no PC** is needed.

The digitalized Music-Files will be stored direct onto the **USB-Stick** or **SD card**, because the RecordPlayer has an integrated MP3-Converter.

The **RecordPlayer LP USB/SD** can be used as normal RecordPlayer, because of 2 built-in-loudspeakers.
